GEDS | GENEVA ENGLISH DRAMA SOCIETY

Great theatre. In English. In Geneva. Since 1933.

The Geneva English Drama Society (GEDS) is the home of English language theatre in Geneva.

For over 90 years, we've brought together people who are passionate about theatre to produce plays in and around the Geneva region of Switzerland.

We produce at least three full stage productions every year, as well as hosting regular rehearsed script-in-hand performances, workshops and social events.

Want to get involved? Whether you're interested in being on stage, backstage, front of house, or just getting to know fellow theatre fans, there's a place for everyone—from complete beginners to experienced hands.

Our activities are in English, but don't worry if English isn't your first language. The only thing you need to get involved is a love of theatre!
